ALL ABOUT HARMONY CLUB

Harmony Club is a program designed by The Franklin Township Recreation Department, for disabled residents ages 6 thru 92. This specially designed program aides in the increase of community awareness and acceptance of individuals with special needs.

Harmony Club provides monthly meetings for individuals with disabilities and allows them to participate in team activities, broaden their social skills among their peers, and develop relationships.

Harmony Club offers a wide range of opportunities for individuals to participate in a variety of adapted leisure and recreation activities; improve fine and gross motor skills; and build self esteem. By incorporating non-disabled teen Youth Council Volunteers; recreation staff; and family members with the Harmony Club participants the program will accomplish the ideals of inclusion. By varying the types of activities the participants will engage in they will benefit from exploring new and exciting activities and environments. Most importantly the program will open them up to many new experiences that will promote lifelong interests and friendships.

In addition to the monthly meetings, special activities will be held such as: "Game Night with Siblings"; field trips; and family picnics and parties.
