

**Franklin Township
OPEN SPACE PROGRAM CONTINUES SPRING & SUMMER
NATURE WALKS**

The Township's open space program will, for the eighth consecutive year, sponsor guided nature walks on Township open space parcels. The 2012 walks began in March and continue in the Spring and Summer. The walks will be led by two township residents, Chris and Paula Williams. ***They are free to the public.*** The walks are along easy terrain and are great for kids. Bring binoculars, if you have them, and good footwear. We ask that you kindly RSVP so that in case of a cancellation or change we are able to notify you. Questions?
