

Capital Connection Application Form Instruction Page

Water service connection application is required if applicant would like to establish a new water service or upgrade an existing water service with Franklin Township Water (FTW). The connection fee for the new/upgrade service will be determined by FTW. The service connection fee is updated annually and it is published in the Franklin Township Ordinance §384-19. A copy of the ordinance can be obtained [here](#).

Before starting your water service connection application, you must determine if the water service is available at the location that you want the water service.

If you would like us to determine the water service availability for your location, you should make your request in writing and we will respond to your request promptly.

If water service is available at your location, you should fill out the Water Service Connection Application Form.

The first part of application is your contact information. To save time, please provide a phone number that you can be reached at any time. After the applicant's information, please check if this applications for a new service or for the upgrade of an existing service.

If the application is for a residential project, please check "residential" and indicate how many residential units need the water service. If the application is for the commercial project, please check the "commercial" box and check one proposed commercial use that is closest to you proposed use. Please also provide the proposed building size and estimated daily water usage for your commercial project. For industrial application, please provide the number of employees who will work in the building once the building is fully occupied. If multiple work shifts are expected, please indicate the number of work shifts when the building becomes fully operational.

Please send the completed water service application form to Franklin Township Water located at: 40 Churchill Avenue, Somerset, NJ 08873 for approval. You can also email this form to us at the following email address:
