P.L. 2007, c. 62, was amended by P.L. 2008 c. 6 and P.L. 2010 c. 44 (S-29 R1). The last amendment reduces the 4% to 2% and modifies some of the exceptions and exclusions. It also removes the LFB waiver. The voter referendum now requires a vote in excess of only 50% which is reduced from the original 60% in P.L. 2007, c. 62.

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.
- No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- years exceeding minimum time period.
- Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

TOWNSHIP OF FRANKLIN
NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The CY 2025 Capital Budget represents the Township's projections of necessary capital projects needed to meet the current needs of the municipality - especially infrastructure like streets & roads & sidewalks. The Townships also maintains the municipal buildings & maintains & improves technology & security, as well as maintaining the Police fleet. Full implementation of these capital programs depends upon the availability of funds needed to finance the contemplated capital programs. The implementation of the capital programs not specifically appropriated in the 2025 budget, requires the further action & approval of the Governing Body.

Franklin Township under the 2025 Capital budget will utilize the funds to replace asbestos and cast iron water mains. Along with the outdated mains the residents will be getting new meter pits with all the needed components installed for better accountability for the Water Utility. After the mains are installed, the money will then be used to pave the road. The main replacement will be a multi-year project due to the length of mains needing replacement.

The Water utility the Township will be replacing meter pits in the apartment buildings and condo associations in the Township. This will be another help for the utility to localize and account for all the connections to apartment buildings.

The capital budget is also used for the upgrading of the pump stations. One station is no longer in service, one station is in a flood zone and in need of work. The funds will be used to perform the inspection and rehabilitation of the station. Along with that the money will be used to perform analysis to see if further pump stations or water main loops are needed to help better serve the residents.
